

A Leisurely Lifestyle

WITH ONE OF his signature “lifestyle pavilions,” designer Michael Gotowala, founder of the Outdoor Kitchen Design Store by Preferred Properties, instantly gave these Connecticut homeowners a luxurious space in which to dine, entertain, and host memorable events for many years to come.

Complete with a fully equipped outdoor kitchen, a comfortable TV-viewing area, and plenty of space to relax and play, this freestanding pavilion is a one-stop shop for the whole family. There’s even a built-in pizza oven for whipping up a restaurant-style pie in minutes—a sure-to-be favorite for the kiddos in the neighborhood.

The perfect space for backyard gatherings, quiet nighttime moments, and celebrations of all kinds, this unique pavilion encourages family togetherness and social engagement at all levels. Combining culinary luxuries and top-notch kitchen equipment with comfortable amenities and a solid outdoor roof, entertaining is now a year-round affair at this home.

With these kinds of perks, it’s no wonder lifestyle pavilions like Gotowala’s are growing in popularity. The unique installations create a destination outside the home for friends and family to eat, converse, and have fun in. And what more could a sociable homeowner want? «
